

BAL-Maze Sectional Garage Door - Bushfire Protection BAL-40

Canonical: <https://directory.bnd.com.au/garage-doors/garage-doors-openers/bal-maze-sectional-garage-door-bushfire-protection-bal-40/>

Description:

B&D's BAL-Maze Panelift sectional garage door is the only garage door system in Australia to have a CSIRO-tested grading of BAL-40 for bushfire protection. Features a completely sealed door system with solid steel barrier seals to prevent flying embers and burning debris from entering your home. Available in multiple profiles (Nullarbor, Seville, Madrid, Statesman, Grange) and finishes including Natural-Look, Knotwood timber-look, and COLORBOND colors. Includes 10-year total confidence warranty when purchased with compatible opener.
