

B&D; Roller Garage Doors - Residential & Commercial Solutions

Canonical: <https://directory.bnd.com.au/garage-doors/garage-doors-openers/bd-roller-garage-doors-residential-commercial-solutions/>

Description:

The space-saving, no-nonsense design of the B&D; roller door range makes them popular for modern or traditional homes, multiple tenancies and industrial buildings. B&D; roller doors feature tested strength, proven durability, and innovative safety features including automatic openers with backdrive technology, safety beams, and Auto-Lock security. Available in multiple styles including Roll-A-Door Neo, Roll-A-Door, Rollmasta, Flex-A-Door, and Wind-Rated options.
