

Auto-Lock Automatic Garage Door Locking Bolt

Canonical:

<https://directory.bnd.com.au/garage-doors/home-security-safety/auto-lock-automatic-garage-door-locking-bolt/>

Description:

Level up your garage door security with Auto-Lock; B&D's advanced automatic locking bolt specially designed to keep your home safe. This wireless, heavy-duty locking bolt automatically engages every time you close your garage door. When used with an automatic opener, Auto-Lock more than doubles the force required at the lock point to lift the door from a closed position, helping protect you and your family.
