Kookaburra Pro 2.0 Rubber Cricket Shoe - Senior White/Lime/Yellow / US 13 ## Overview The **Kookaburra Pro 2.0 Rubber Cricket Shoe** is a versatile cricket footwear designed for senior players seeking all-round performance. This shoe delivers a combination of comfort, durability, and reliable grip across various playing surfaces, making it an excellent choice for batsmen, bowlers, and fielders alike. ## Technical Specifications ### Sizing & Availability - **Size:** US 13 - **Classification:** Senior - **Color Variant:** White/Lime/Yellow - **Availability Status:** In Stock - **Price:** $100.00 AUD ### Product Classification - **Brand:** Kookaburra - **Category:** Sports & Outdoors - **Sport:** Cricket ## Key Features & Components ### Upper Construction The shoe features a **combination PU and latex upper** that provides enhanced comfort and durability. This material composition ensures the shoe maintains its shape while offering flexibility during dynamic movement on the cricket field. ### Ventilation & Comfort - **Breathable Mesh Lining:** Designed to keep feet cool and dry throughout extended play sessions, promoting air circulation and reducing moisture buildup - **Padded Tongue:** Improves overall comfort and fit around the foot, reducing friction and pressure points during wear ### Support & Stability The shoe incorporates an **athletic style last**, a structural design element that provides enhanced support during movement and ensures superior foot stability when performing quick directional changes during fielding or batting. ### Shock Absorption & Cushioning The **EVA Midsole** is engineered to provide effective shock absorption, protecting feet from impact during running and quick movements on the cricket pitch. This feature ensures sustained comfort during extended play. ### Traction & Grip The **high traction rubber outsole** delivers reliable grip on various playing surfaces, providing the stability and confidence needed for quick footwork and explosive movements during batting, bowling, and fielding activities. ## Performance Applications Built specifically for the demands of cricket, this shoe is designed to support players across all three disciplines: - **Batting:** Provides stable footing and comfort during extended time at the crease - **Bowling:** Delivers grip and support for the repetitive movements of fast and spin bowling - **Fielding:** Ensures stability and confidence for quick directional changes and rapid movement across the field ## Additional Information This rubber-soled variant is suitable for training and all-round play, offering versatility across different match conditions and field types. The combination of materials and design features makes it an ideal choice for players who value consistent performance and all-day comfort without the full-spike configuration. ### References - [1] KOOKABURRA PRO 2.0 RUBBER CRICKET SHOE - SENIOR WHITE/LIME/YELLOW / US 13
