GRAY-NICOLLS GN 500 BATTING GLOVE - JUNIOR SJ / LH ## Technical Specifications The GRAY-NICOLLS GN 500 Batting Glove is a junior-level cricket batting glove engineered for younger players with a focus on comfort, protection, and breathability. ### Design & Structure **Section Configuration:** The glove features **11 sections** with **pre-curved fingers** that provide enhanced comfort and a natural fit for junior players. This design allows for improved hand positioning and reduced hand fatigue during extended play. ### Protective Features The glove incorporates a **dual-density foam system** combining: - **High-density foam** for impact shock absorption - **Low-density foam** for vibration dampening and comfort These materials work together to protect the hands from impact while maintaining flexibility and ease of movement during batting. ### Materials & Construction **Palm:** Cotton palms provide moisture absorption and breathability, enhancing grip and comfort during gameplay. **Ventilation:** Mesh gussets are strategically integrated to ensure optimal airflow and ventilation throughout the glove, preventing heat buildup and maintaining player comfort. **Moisture Management:** Dual-sided sweatbands enhance moisture absorption, keeping hands dry and comfortable throughout the game. ### Product Details **Brand:** GRAY-NICOLLS **Category:** Sports & Outdoors **Size:** Junior SJ / LH (Small Junior / Left-Handed) **Availability:** In Stock **Price:** $39.99 AUD **Product URL:** https://www.cricketforall.com.au/products/gray-nicolls-gn-500-junior-batting-glove?variant=47636493271291&country;=AU¤cy=AUD&utm;_medium=product_sync&ut

m;_source=google&utm;_content=sag_organic&utm;_campaign=sag_organic ## Key Performance Characteristics The GN 500 delivers essential protection features tailored for junior players, combining shock absorption with lightweight design. The pre-curved finger construction reduces the break-in period, while the multi-component foam system ensures adequate protection without excessive weight. The cotton palm construction provides superior grip characteristics compared to synthetic alternatives, making it suitable for players developing their batting technique. ### References - [1] Cricket For All - [2] GRAY-NICOLLS GN 500 BATTING GLOVE - JUNIOR SJ / LH
