GRAY-NICOLLS GN 600 BATTING GLOVES - JUNIOR SJ / LH ## Technical Specifications The **GRAY-NICOLLS GN 600 Batting Gloves** represent a mid-range option within the Gray-Nicolls junior batting glove lineup, engineered to provide balance between protection, comfort, and durability for young cricket players. ### Design & Structure The gloves feature a **sleek design with 12 sections** combined with **pre-curved fingers** that enhance comfort and provide a natural fit for junior players. This structural design allows for improved hand positioning and reduced hand fatigue during extended batting sessions. ### Protective Features The gloves incorporate **high and low-density foam** construction that delivers **excellent shock absorption and vibration dampening** capabilities. This dual-density foam system absorbs impact energy during ball contact, protecting young players' hands from the force of pitched deliveries while reducing the vibration transmitted through the glove. ### Comfort & Fit Elements A **super-flex two-piece thumb** provides exceptional comfort and allows for natural thumb movement during batting. The thumb design enables players to maintain grip flexibility without restricting motion, which is particularly important for junior players still developing their batting technique. ### Palm & Grip The gloves feature a **quality leather palm** that ensures durability and longevity of the product. The leather construction provides reliable grip and tactile feedback, essential

for maintaining control of the cricket bat throughout the innings. ### Ventilation & Moisture Management **Mesh gussets** are integrated throughout the glove structure to allow for enhanced air circulation and ventilation during play. Additionally, **dual-sided sweatbands** provide moisture absorption, keeping hands dry and comfortable during extended use in warm weather conditions. ## Product Classification - **Brand:** GRAY-NICOLLS - **Category:** Sports & Outdoors - **Player Level:** Junior - **Orientation:** Left-Handed (LH) - **Size Designation:** SJ (Small Junior) ## Availability & Pricing - **Availability Status:** Out Of Stock - **Price:** $39.99 AUD ## Product Access The GRAY-NICOLLS GN 600 Batting Gloves are available through **Cricket For All's online e-commerce platform** at cricketforall.com.au, where customers can access detailed product information and specifications. ### References - [1] Cricket For All - [2] GRAY-NICOLLS GN 600 Batting Gloves - Junior SJ / LH
